## Constitution Team takes 2nd place

Grant's Constitution Team in front of the Supreme Court in Washington, DC

The military historian Bruce Catton has devoted several volumes to Ulysses S. Grant, one of which is entitled *Grant Moves South*. This year though, as in many past years, Grant moved east! Grant High School, that is!

The Constitution Team from Grant High School traveled to Washington, DC and returned with a 2nd place finish in a nation-wide competition that is part of the *We the People, the Citizen and the Constitution* program. We have sent teams to the Nationals in 17 of the past 22 years, often finishing in the top 10 and 3 times bringing home the 1st place trophy. This is a tribute not only to the students, but also to the teachers, volunteer coaches, staff and parents in the Grant community. This year a generous contribution to the team by your Alumni Association helped defray the high cost of travel and lodging for the team in Washington, DC.

The students on the team spent at least 10 hours a week preparing for the Oregon State Championships during the first half of the year and the Nationals in the second half of the year. For each final competition that time commitment increased several fold as the contests grew near.

## Alumni Picnic

It's almost time for the annual All-Alumni Picnic!

We will gather on **Sunday, July 23 at 1:00 PM** at our usual place, the **Hollyrood Shelter in Grant Park, off 36<sup>th</sup> Avenue**. We will provide water, popcorn and cookies for you, too.

Catch up with classmates from long ago (longer for some of us than others!) and just have a fun trip down memory lane.

The Classes of 1963 and 2003 will be in attendance, too, while they celebrate their 60<sup>th</sup> and 20th reunions.

Remember, we are always willing to provide extra tables and/or chairs if you also want to hold your reunion at the annual picnic.

We hope to see you on July 23!

## President's Letter

Our Alma Mater is approaching a milestone in educational excellence in Portland: Grant High School's 100<sup>th</sup> year will begin in September, 2023. The Grant High School Alumni Association (GHSAA) is part of the group that is creating the celebration events. You can read more about it in this newsletter.

The alumni association has awarded a \$5000 scholarship to senior **Benjamin McDonald**. Thanks to all of those who contribute to the alumni scholarship fund. As the cost of higher education continues to grow, our alumni scholarship is a significant benefit to Grantonians following us. All of our contributions add up to a nice monetary send-off for a deserving Grant senior. If you have contributed, thank you. If you are considering contributing, I hope you choose to do just that, and thank you, too!!

Earlier this spring I attended a rehearsal of the Grant Constitution Team prior to their competition in Washington, DC. It was an impressive display of intelligence, quick thinking, and oratory skills! Several teachers and volunteers did a great job coaching and mentoring the team. The Grant team finished in 2nd place nationally. Your alumni association contributed \$2500 toward their travel expenses. More about the competition on page 1.

Well, inevitably I turned 80 this spring...and I celebrated well! Post-birthday, I decided to make a serious attempt to regain a level of fitness that has eluded me since my hip "adventures" began in Dec 2021. I've retained a trainer and am progressing, but as many of my compatriots already know: my body progresses slower than my imagination.

Thank you for supporting the Grant High School Alumni Association. I hope to see you at the All Alumni Picnic on July 23 and at the upcoming Centennial events.

**Bob Stayton, '61**

## Centennial event updates

Plans are being formalized for Grant's 100th celebration, beginning with several events already on the calendar:

**September 23, 2023:** Our first celebration is Homecoming, complete with a tailgate party and football game in the Bowl.

**March 16, 2024:** An all-school reunion will be held at Grant, including an open house with a tour of the remodeled building. Plans are being formalized for other events that day.

**May 30-31, 2024:** *A SENSATIONAL CENTURY: Celebrating 100 Years of Performing Arts at Grant High School*, directed by **Bruce McDonald**, will be an extravaganza of 100 years of theater, instrumental, vocal, and dance performances by students and alums.

**September 2024:** A celebration will be held at Grant sometime in September to honor the day the school doors opened 100 years ago! More details to follow.

Check for other events and fundraising opportunities on the alum website / [grantalumni.org](http://grantalumni.org); Facebook / [US Grant Alumni Association](https://www.facebook.com/USGrantAlumniAssociation); and, Instagram / [@ghs\\_100thyear](https://www.instagram.com/ghs_100thyear) Information about restaurant fundraising events will also be announced on these sites, so check in every now and then!

## 2023 Grant Hall of Achievement Recipients

### Just what is the Grant Hall of Achievement?

Inspiration for the Hall of Achievement came from our Athletic Hall of Fame and the realization that many Grant graduates have left lasting marks beyond the playing fields. We recognize these alumni and how they embody Grant spirit by doing one's best and always striving for excellence with integrity. Read about previous winners at [grantalumni.org/hall-of-achievement](http://grantalumni.org/hall-of-achievement)

### Mary Fetsch, '75

After graduating from Oregon State with a degree in broadcast media communications, **Mary Fetsch's** first job was in public affairs at KOIN-TV. After stints as producer of KATU's "Town Hall" program and news producer at KGW, Mary became the

campaign press secretary, and then press secretary, for Elizabeth Furse after she was elected to the US House of Representatives.

With her continued love of public policy issues, Mary worked for 22 years at TriMet as both their Communication Director and Media Relations Officer. Now owner of Fetsch Strategic Communications, she provides expert strategic communications, crisis communications, media training, and guidance for policy/political issues and campaigns.

Mary currently resides in Portland.

### Bob Thompson, '76

**Bob Thompson** was a member of the Varsity baseball team before graduating from Grant High in 1976. He earned a Bachelor's of Science degree in Telecommunications and Film, with an emphasis in Broadcast Management, from the University of Oregon in 1980.

Bob entered the cable television business in 1981 with Storer Cable Communications. Eight years and five relocations later he left Storer and moved to the programming side of the business.

Bob spent 20 years in a variety of executive positions at Liberty Sports and FOX Sports Networks. He was named President of FOX Sports Networks and FOX Sports International in 2000, where he was responsible for oversight of FOX's domestic and international sports networks. Bob received a national Sports Emmy for executive producing the show SportsScience in 2008. He retired from FOX in 2009.

Bob served on the board of directors of the Golf Channel, Big Ten Network, Rogers SportsNet in Canada, FOX Pan American Sports, Mobile TV Group, and the Colorado Rockies Baseball Club.

He remains involved in the sports and television world through his company Thompson Sports Group, but mostly enjoys playing golf at his Scottsdale, Arizona home.

## Meet our 2023 GHSAA Scholarship recipient, Ben McDonald

With the help of counselor **Megan Schlicker** ('92), the GHSAA Scholarship Committee interviewed a group of outstanding young men and women who will be continuing their education at an Oregon school of higher learning.

We are always disappointed that there is not money to honor each applicant, but available funds allowed us to present just one. This year, **Benjamin McDonald** was selected as the alumni association's scholarship recipient. We will deposit \$5,000 in his account when he starts his freshman year at Willamette University this fall.

Ben is a Salish Indian from the Flathead reservation of NW Montana, and the first person in his immediate family to graduate from high school. He felt like "a brown speck on a canvas of white" as he entered Grant, but in time became more comfortable with himself and his surroundings. Ben played soccer at Grant and is looking forward to playing for Willamette, where he will be one of the first Native American college soccer players in the US. His friendly personality and stellar grades (only two Bs in a sea of As) will propel him to earning a degree in business and exercise science.

We wish Ben the very best!

*Ben McDonald with Scholarship Chair Christi (Rollwage) Knutson, '64.*

## 2023 Rose Festival Princess

*Photo credit: Naim Hasan and Patrick Smith*

**Princess M'Ryah Kelley**, a senior, represented Grant High School this year. She was born in Las Vegas, Nevada and plans to major in biology or kinesiology with a goal of becoming a physical therapist or athletic trainer.

M'Ryah is an honor roll student and involved with the National Honor Society. She's also a member of the varsity volleyball team (2nd team all-league volleyball!), and Grant dance collective. She's active in her school's Black Student Union and holds an internship with Tappin' Roots. M'Ryah loves anything and everything involving music, in addition to movie watching with her sister.

## 2023 graduation stats

Here are survey results of Grant High School seniors, taken from a June survey by [Grant Magazine](#):

- 97% will be attending a college or university
- 5% are going to an international college or university
- 28% are going to college or university in Oregon
- 61% believe Grant has prepared them for life after high school
- 75% know what they will be studying in college or university

Some statistics taken from the graduation program: Of the 512 graduates, over 40% have a 3.5 GPA or better, and 58 have a 4.0 (or better) GPA!

## Gen. Grant gets promoted

In the winter newsletter, we wrote about General Ulysses S. Grant's pending posthumous promotion to General of the Armies of the US. [You can read that article here.](#)

That article was published on Dec. 5 and on Dec. 23 the bill was signed into law, promoting Grant to General of the Armies of

the United States! You can read more about it in this CBS news story: [Ulysses S. Grant promoted to general of the armies in new defense spending bill](#) .

## Second chance for trophies

Before Grant's 2017 remodel, many of the trophies on display were headed for a dumpster. The Alumni Association saved them from that fate by offering them for sale at our 2016 picnic.

New banners for outstanding teams—sports and otherwise—since have been hung in the gym, and Principal McGee has asked for our help in recovering the missing trophies. If you purchased one as a memento, would you be willing to return it to the school to display in the new trophy cases? You can let us know by contacting [grantalumni@aol.com](mailto:grantalumni@aol.com).

The school, and other alums, would greatly appreciate your donation.

## Historic hallway photos

The school has ordered 1000 frames and is working on getting the tracking system that will be mounted on walls to hold the pictures. The goal is to have the pictures up by the start of the 2023-24 school year.

Want to help?!? Volunteers will be needed in August to put the photos into frames. If you're interested, contact Christi at [grantalumni@aol.com](mailto:grantalumni@aol.com)

## 2023 GHSAA contributions review

"Your tax dollars at work" is a familiar statement. Along that same line, we would like to share that your alumni dues dollars have been doing good work as well!

The Alumni Association contributed money to the Constitution Team, as well as to this year's Seniors' All Night Party.

The Constitution Team is the always exceptional team of seniors who competed for the state title and then, after winning, moved on to compete in the national competition in Washington, DC. The expense to send 30 students on such a trip is considerable, and we were happy to help out.

The All Night Party is a tradition going back to the 80s where graduates to spend one last time together as a class. Seniors are bused to secret locations for casino games, swimming, eating, visiting, and prizes, including a Mac-Book Air, plane tickets, and gift cards! After a night of festivities, the exhausted and exhilarated students are bused back to school just before dawn. Definitely an event worthy of our financial support.

## Constitution Team *continued from page 2*

That time commitment was needed to address multiple questions on the history of the document, Constitutional questions that have arisen from ancient Greece and Rome to the present day, and for future challenges to our Constitutional system.

Having returned from the academic competition and extra activities at the museums (and basketball courts!) of Washington, this year's team members, like the team members before them, look forward to the future at many colleges around the country. Their studies have been, and will be, by no means limited to history and law. Students from the past have pursued careers in medicine, education, science, economics, law, engineering, psychology, and many other subjects. No matter what fields they follow, however, they are all better prepared to be responsible citizens in our country.

*David Eaton, Anjali Weerasinghe and Sadie Wallsmith accept the 2023 We the People State Championship award. They're headed to Nationals!*

Students in this year's team include:

- Unit 1 (*Historical Foundations of the American Political System*): **Sam Blacker, George Crittenden, Owen Casey, Caiden Searcy, and Jackson Snider**
- Unit 2 (*How Did the Framers Create the Constitution?*): **Veronica Bianco, David Eaton, Violet Holah, Benicio Lumbreras and Beck McLaughlin**
- Unit 3 (*How Has the Constitution Been Changed to Further the Ideals Contained in the Declaration of Independence?*): **Dylan Jacobs, Ava Madalinski, Kai Markle, Elijah Martin-Collier, and Alice Parker**
- Unit 4 (*How Have the Values and Principles Embodied in the Constitution Shaped American Institutions and Practices?*): **Paige Axness, Eva Pitzer, Oliver Siemens, and Aidan Vogt**
- Unit 5 (*What Rights Does the Bill of Rights Protect?*): **Scarlett Anderson, Finley Carpenter, Isaac Friedman, Naima Smith, and Sadie Wallsmith**
- Unit 6 (*What Challenges Might Face American Constitutional Democracy in the Twenty-First Century?*): **Tait Butterfield, Max Robben, Paige Suckling, Anjali Weerasinghe, and Athena Wooters**

**Angela DiPasquale** is the faculty member responsible for the whole program. The coaches are alumni **Jaydon Dirk, Megan Gleason, and Eamon McMahan**, as well as community members **Adriene Anderson and Jenny Marston**. Parents of current or past students also donated their time, and include **Alan Galloway, Brad Grenham, Shelley Larkins, Al Karpinski, Linda Jean Larkin, Harrison Latto, Christopher McCracken, John Stephens, Tim Volpert, and Jim Westwood**.

The team thanks the Alumni Association for its part in making this possible. Go Grant!

## Grant High sports

### Coach Debbie Engelstad retires

**Debbie Engelstad**, Grant alum ('82), Grant teacher, Grant coach, and champion of Grant softball, retired at the end of this school year.

After graduating from PSU on a softball scholarship, Debbie was hired as a teacher and coach at Grant. Not only did she coach softball, but she also took on the roles of soccer and basketball coach, plus being in charge of the open gym on the weekends. She eventually left her soccer and basketball duties to concentrate on teaching PE/Health and coaching softball.

When the recent modernization of Grant did not include a softball field, Debbie worked tirelessly with

Legal Assistance and the Grant community to ensure the district would build a softball field. Just in time for this year's season, the field was completed with bathrooms, lights, dugouts, sound system, and a trainer facility. No longer do the players need to leave class early and trek to Wilshire Park.

In retirement, Debbie plans to volunteer for Habitat for Humanity and Meals on Wheels. Lucky Grant students might even find her in one of their classes as a substitute.

### Two Grant students win the Denny Sullivan Scholarship

A scholarship fund has been established to honor **Denny Sullivan**, Grant's head track and field coach from 1953-62. His teams won seven PIL championships, plus the 1961 state championship. Additionally, his cross country teams won three state championships (1957, 1958 and 1963), and he was Grant's first wrestling coach.

The scholarships are awarded to the top graduating PIL male and female track and field / cross country athletes as nominated by their schools, and two Grant seniors were winners of this year's scholarships. **Noah Zucker** ('23), who will attend Colorado State, was awarded the boys first place \$10,000 scholarship, and **Scarlett Anderson** ('23), who will attend Fordham, won the girls \$4,000 scholarship. Our congratulations to Noah and Scarlett!

## Four alums to be inducted into PIL Hall of Fame

---

### **Terry Brown, Class of 1960**

Earned nine varsity letters at Grant in football, wrestling and track:

- Football: All-City lineman in football his senior year, captain of the football team junior and senior years, starting lineman in 1960 Shrine game.
- Wrestling: 1960 PIL heavyweight wrestling champion.
- Track: Second in PIL track championships in the shot-put throw his senior year.

Additional: Terry was a PIL academic all-star and a National Merit Scholar. He played freshman football at Stanford and coached soccer in the 1970s for the Reynolds Soccer Club. Currently, Terry has retired as a Vice-President for Columbia Sportswear in 2001. He lives in Redmond, WA.

### **Bob Weaver, Class of 1961**

Bob has six varsity letters:

- Football: He was All-PIL twice, and All-State once, in football. Bob was Shriners game captain in 1961.
- Wrestling: He was also All-PIL and All-State honoree in wrestling.

Additional: An OSU grad, Bob was an industrial relations manager for Hyster and co-owner of an executive recruiting company. He was also an enthusiastic youth sports coach, as well as being active in disaster recovery and rebuilding efforts in Haiti.

### **John Bakkensen, Class of 1961**

John has three varsity letters:

- Track and Field: John won three varsity letters at Grant for throwing the discus. He won the PIL City meet in 1960, setting a new PIL meet discus throw record. John won the Oregon High School AAU championship meet in 1960 with the longest high school discus throw in Oregon history, then won the City and State discus championship in 1961 and repeated as AAU champion.

Additional: He graduated from Harvard, where he was the Ivy League champ in 1963, '64 and '65, and won the Penn relays in 1963. John graduated from Stanford Law School. He has worked as a volunteer track coach and competed as an amateur athlete. In 1997, he was inducted into the Harvard Varsity Club Hall of Fame. He is a practicing attorney who lives in Portland.

### **John Percich, Class of 1969**

John has two varsity letters:

- Football: John was a member of Grant's PIL championship team which lost to David Douglas in the state quarter finals.
- Baseball: Grant had decisive wins throughout the season. A game against Madison would decide which team would go onto the state playoffs. The game lasted 11 innings with a 4-3 win for Madison.

Additional: He was also a member of Royal G, the fire squad, and the senior choir. John played football at PSU on a full scholarship. In 1995, John created the Tualatin Valley Youth Football League, which is the second largest league in the country with more than 7000 players in grades 3 through 8. He had a career in food service selling healthy foods for students.
